(571) 293-6143

## Core Competencies

IEC Tech Inc. is dedicated to anticipating and addressing the evolving challenges of our clients. We bring a proactive approach, ensuring that we meet emerging business needs by delivering top-tier subject matter experts within our core areas of expertise.

- Live Cybersecurity, Cloud & Business Bootcamps (Platform launched 2025)
- Section 508 Compliance Testing for ICT Systems and Digital Content
- Generative AI Platform Design & Automation Prototyping
- Adaptive Project Leadership (Scrum, SAFe, Waterfall)
- Zero Trust Security & Data Protection
- Cloud Architecture & Modernization
- SharePoint & Workflow Automation
- Project & Program Management
- AI & Machine Learning Solutions
- Custom Software Development

## Differentiators

- **Agile Project Leadership:** Proven Agile and hybrid delivery across DHS, TSA, and WHS programs using Scrum, SAFe, and Waterfall.
- **Scalable Innovation:** From AI hackathon wins to launching bootcamps, IEC Tech delivers practical emerging-tech solutions.
- **Tailored Technical Delivery:** Solutions built to fit enterprise/agency needs, compliance frameworks, and mission objectives, not one-size-fits-all.
- **Proven Leadership:** Led by a DHS delivery veteran and a top-ranked SaaS exec, combining tech depth with business impact.
- **Expert Talent Network:** Cleared professionals and partners in AI, cloud, automation, low-code, and accessibility testing.

## Past Performance

- **Federal Zero Trust Implementation - USCIS (2024-Present):** Supporting USCIS enterprise zero trust transformation through direct technical services and team augmentation. Managing Application and Workload Pillar implementation including security tool deployments (Burp Suite for vulnerability assessment, Checkmarx for secure code analysis, Splunk for continuous monitoring). Coordinating multi-vendor integration across development, security, and operations teams. Ensuring CISA Zero Trust Maturity Model compliance while meeting federal modernization timelines and executive milestone reporting.
- **Technical Workforce Solutions - DHS Components (2024-Present):** Sourcing and managing specialized professionals for federal contractors supporting DHS, USCIS, and related agencies. Successfully placed cleared SharePoint developers for P3CT modernization and cybersecurity engineers for zero trust implementations. Conducting comprehensive technical assessments and clearance verification. Maintaining 100% performance standards with 14-day deployment capability. Direct relationships with program managers enable rapid response to critical staffing requirements.
- **Technology Training Platform & Bootcamps (2025):** Launched comprehensive training platform at [iectechinc.com](http://iectechinc.com) featuring instructor-led virtual and in-person bootcamps. Curriculum includes cybersecurity fundamentals, cloud architecture (AWS/Azure), Zero Trust principles, AI/ML implementation, and business certifications. Partnership with certified instructors bringing collective experience training 1,000+ federal/commercial professionals. Platform supports individual enrollment, corporate contracts, and cohort-based learning.
- **Leadership Federal & Commercial Experience:** CEO brings proven SaaS operations expertise from Higher Logic and stakeholder management from Healthcare Businesswomen's Association. Technical leadership contributes 14+ years federal experience including \$1.4B Washington Headquarters Service programs, USCIS PIV/access control implementations, TSA Federal Air Marshal Service applications, and Section 508 compliance. This combined experience drives IEC Tech Inc.'s delivery excellence. Leadership team holds active Public Trust clearance and certifications including PMP, SAFe SPC, and Agile coaching credentials.

## Company Data

IEC Tech Inc. is a woman-owned small business, founded in 2022. We focus on delivering tailored technology solutions for government agencies and businesses, specializing in secure, scalable systems.
